Level 1 Validation – Water Supplier Confirmation

This document confirms participation in and endorsement of the Level 1 Validation as completed.

This acknowledgement is required for submission – alongside your Level 1 validated water audit software file – to the California Department of Water Resources.

Water Supplier Name: City of Turlock

Water Supplier Public Water System ID: CA5010019

Water Audit Period: 01/01/2018 – 12/31/2018

Water Audit & Water Loss Improvement Steps

Steps taken in the audit period timeframe to increase data source accuracy, reduce real losses, and/or reduce apparent losses, as informed by the water audit.

Improvement was made in providing a more accurate data for the Customer Retail Unit Cost (applied to apparent Losses).

The City continues to compare manual meter reads with Scada reads to ensure accuracy and resolve discrepancies.

The City continues to explore the idea of implementing a meter accuracy station.

Certification Statement by Water Supplier Executive:

This water loss audit report meets the requirements of California Code of Regulations Title 23, Division 2, Chapter 7 and the California Water Code Section 10608.34 and has been prepared in accordance with the method adopted by the American Water Works Association, as contained in their manual, *Water Audits and Loss Control Programs, Manual M36, Fourth Edition* and in the Free Water Audit Software version 5.
